I have enclosed the Indian Postal Order (IPO) for Rs. 10/- as the fee along with the application and I am ready to pay the excess fee, if anything more you require for providing the above information and documents.

The requested information and documents are public documents. They won't come under the provisions of exempted category of the RTI Act. Moreover, the requested information and documents will not affect the on-going process of investigation.

Because, FIRs are completed one; details of accused persons, remand, days and dates of custody are the open court details and nothing to conceal from the public on the eyes of law; remand applications, police custody applications, charge alteration reports and charge sheets were the submitted in open court and the they are public

documents and nothing to conceal from the public on the eyes of law. I didn't request any information or document, which will affect the on-going process of investigation. So, the information and documents requested can't be denied in the name of exempted category.

Hence, I request you to provide me the information in English at the earliest, with in the period of 30 days, immediately after the receipt of the application, as per the rules of RTI Act.

Date: 19.06.2020  
Place; Madurai

Yours Sincerely
